

IMPORTANT REMINDER

Sending incomplete documents will delay the review and funding/transfer process. Please make sure the Account contains sufficient cash to cover the investment, minimum cash requirement and all applicable transaction fees.

All precious metal holdings are held at Delaware Depository Service Company ("DDSC") and should never be sent directly to PENSCO Trust Company (PENSCO).

PURCHASING/ LIQUIDATING PRECIOUS METALS

PENSCO Trust Company (PENSCO) is not a precious metals dealer. If you are interested in investing in approved precious metals in your IRA, you must find a qualified metals dealer. Once you have identified the dealer you would like to work with and you have negotiated a purchase with the dealer (metal type, weight, etc.) please submit this form to PENSCO so we can forward the appropriate funds to complete the transaction. All metals are held at DDSC. At the time funds are transferred, PENSCO will also forward shipping instructions to the dealer so the metals will be shipped and placed in your Account. Please be sure the amount listed on this form is inclusive of any dealer commission, shipping, handling and insurance costs. PENSCO will pass through any costs associated with precious metals storage to your PENSCO Account.
